A word from the president

Left to right: Nico Schakel, Peter Derks and Robin Visser.

Dear Diva lovers,

Thanks for your contribution to the International Citroën SM Meeting 2016. I am glad that everything went well. My intention was to be active with our Diva's and to show some different sides of the Netherlands. Therefore I was very pleased with all the nice reactions I received after the event. Thanks for that! From here I wish the organization in Switzerland good luck with the preparations. I see you next year in the Alps!

Nico Schakel
Organizer of the International Citroën SM Meeting 2016

Dear Citroën SM-friends,

Hopefully you have the same feeling as I have about the international meeting in the Netherlands. The feeling we had an active and above all a very nice meeting. I look back with joy. I'm glad to have been able to contribute a bit to Nico's job organizing this event. Now, some weeks after the event, we have a little surprise for the attenders: a special edition of SublieM, our club magazine. We already sent you a mailing with some pictures. With this SublieM you can really have something in your hands, something with a feeling, something warm, something from old fashioned paper. I hope you'll enjoy it and look forward to see you next year in Switzerland! I am confident that we can have high expectations. Best regards,

Robin Visser

Editing this special issue of SublieM was a great pleasure since I relived the whole event. I hope viewing the pictures will bring back warm memories for you as well. Or maybe stimulate you to visit the next International Event in Switzerland. I would like to express my thanks to the board of the Dutch Citroën SM Club for the great days we experienced together. Peter Derks for technical assistance, Robin Visser for leading our great club and last but NOT least Nico Schakel for organizing the whole event. A job well done! Merci mille fois, vielen vielen Dank, heel hartelijk bedankt!

Marco van der Noordaa

Home of the SMs

Dear all,
 Now, we know that the SMs have returned home safely like us, it was great to see everyone during the Netherlands Meeting. It was a memorable time of solidarity and communication with veterans and youngers. Thanks to everyone to be "present" behind the courageous team of organizers: drivers regardless of the weather, the participants in great numbers, the planning time...everything. I am sorry that we could not do a warm bye bye to every one and also for my poor vocabulary! I hope you understand my meaning from the heart. RENDEZ VOUS next year in Switzerland!

Geneviève Fraleux
 SM Club de France

A warm compliment for the organization although I was only able to attend on Friday and Saturday. Well organized and a very attractive programme. Today one German car stranded. Car has been picked up for repair.

Save the date

Dear SM-friends,

Only a short while ago we were your guests and visited your country during a great programme. Now we look forward to welcome you next year from June 25-28th 2017 in Vitznau in our lovely Switzerland. The wonderful situation of the “Flora Alpina Hotel” embedded in the Swiss mountains will provide us with a beautiful panorama and breathtaking sundowns over the Vierwaldstätter Lake. We are sure that these lovely surroundings will guarantee us very pleasant hours in your presence. In addition to our cars, we will also cruise through the region by ship. In Luzern and surroundings we will learn more about the history and particularities of Switzerland. You are all warmly invited to join the event. More details will be sent to you later on. For now I send you a very friendly “Gruezi” on behalf of our club.
